HANDS ON HARTFORD was founded in 1969 as Center City Churches. Hands On Hartford, in partnership with others, strengthens community in Hartford by responding faithfully to people in need through programs that change lives and renew human possibility.

Donna K. Manocchio, Board Chairperson and Barbara A. Shaw, Executive Director

Dear Friends,

How is that it feels like time is flying by at warp speed these days?

We believe that the days, weeks, months and years flow when we're doing something we love. When we're engaged. When we see lives transformed. When we see folks connecting. When we're both encouraged and challenged. When we have the opportunity to respond to the call to support the folks we serve. And that's what it's like for all of us each day at Hands On Hartford – all because of your support!

2018 continued to be a year of change and growth as we worked with you to increase our impact on this beloved community. We flung open the doors of our pantry for our Muslim neighbors, providing a Halal diet sensitive pantry including Halal meat. Your support meant more healthy foods available through all of our MANNA programs, new partnerships focused on supporting good health for our participants, and vital assistance in helping folks maintain safe, stable, affordable housing. Caterers Who Care, along with a hot and cold delivery truck, fully rolled out, serving delicious and affordable food to a growing list of customers as it provided financial support to our basic needs services. And the shared kitchen membership more than doubled during 2018.

We're also excited to announce the establishment of the Hands On Hartford Endowment Fund at Hartford Foundation for Public Giving. Over this past year, we laid the foundation for the celebration of our 50th Anniversary in 2019. The Endowment Fund is part of our plans to ensure that we can continue to work in partnership with the community meeting the needs of low income Hartford residents for the next 50 years and beyond.

So the year sped by! We hope you'll enjoy reading all about the impacts that you made happen in this 2018 annual report and will keep in touch over the next year to join us in celebration of our 50th year of changing lives in Hartford.

With deepest appreciation for creating joy in this world,

Barbara A. Shaw, LCSW
Executive Director

Donna K. Manocchio
Chairperson, Board of Directors

Expanding Ventures

The Hands On Hartford "Ventures" are income-earning initiatives designed to support the community, take advantage of space and amenities at our Center for Community, and bring in funds to support our basic needs services. In 2018, we continued to develop and grow our Ventures in exciting ways.

Caterers Who Care

With the addition of a full time Kitchen Programs Manager, our catering operation really took off. We developed a new and expanded menu, got a hot-cold delivery truck rolling, and provided meals, snacks and appetizers to an expanded list of clients throughout the Hartford area. To encourage groups to use space at our Center for Community for meetings, trainings, events and retreats, we offered catering on-site throughout the year. And off-site catering increased with deliveries for groups ranging from a dozen to multi-day functions for hundreds of attendees.

The Café at Fifty-Five

We also revised and improved the Café menu, broadening our selections and offering numerous daily and weekly specials for breakfast and lunch. We boosted our WiFi service to encourage folks to stick around for team meetings or a break from the office. We also continued to engage volunteers in both food preparation and serving in the Café. And the popular Pay-for-a-Neighbor program ensured that folks who are not able to stretch scarce resources on restaurant meals can still take advantage of the Café's tasty fare.

Shared Use Kitchen

Membership in the Shared Use Kitchen more than doubled in 2018, and revenue from that program increased by 130%. As this program grew, we refined our arrangements with the many culinary businesses who are members to ensure the program supports their needs. We also convened a gathering of our members and a number of partner organizations to start the planning for a new culinary collaborative to be developed in 2019.

MANNA Food Programs and Neighborhood Services

Special initiatives in the MANNA Community Pantry in 2018 included a special focus on encouraging non-English speaking women to utilize pantry services, and, through a multi-faith funding and volunteer initiative, opening our doors to our Muslim neighbors. We now offer Halal meat in the pantry, and started outreach plans to reach more Muslim families and label non-Halal food in the pantry. We increased the amount of fresh produce, milk and eggs distributed to our pantry families, aligning with our goal of supporting good health and nutrition in the community. Similarly, we ensured that meals served at Community Meals include healthy veggie sides and made connections with community healthcare partners to visit our program and connect with our guests. 229 children in eight schools received fresh fruit regularly through the Backpack Nutrition Program during the school year.

Hands On Hartford Housing Programs

In 2018, the supportive housing team sharpened their focus around meeting the needs of folks who are aging, as the population of the tenants we serve grows older. For those who are HIV positive, the team made great strides in ensuring that clients received treatment to reach viral suppression. We also provided a full year of supportive services to tenants at Zezzo House, and after a thorough annual audit by the City of Hartford and AIDS Connecticut, we received a service rating of 95%, in the highest quality category.

Community Engagement

Always central to our work, the Community Engagement team worked with over 340 different engagement partners – including both volunteer groups and area non-profits, parks and schools where we coordinated community service work. The Hartford Thrive! AmeriCorps VISTA project wrapped up, which placed 22 VISTAs throughout its 3 ½ year term at Hands On Hartford and five other Hartford non-profits. The team also implemented the second Corporate Dash for a Difference event, co-sponsored by Prudential, in which 195 volunteers from seven companies competed with each other to complete service projects at thirteen Hartford nonprofits.

Award Winning Volunteers

At this year's Volunteer Recognition Event, we thanked and honored our many volunteers. The amazing Keith Rhoden was the winner of the R. Regner and Carolyn S. Arvidson Exemplary Volunteer Award. Other awards given were the School Volunteer Award (Quinnipiac University), the Faith Group Volunteer Award (Westminster Presbyterian Church of West Hartford), the Corporate Volunteer Award (The Hartford), the Civic Volunteer Award (Rotary Club of Hartford), the Family Volunteer Award (the Goodman & Howe Families) and the Superhero Award (Andrew May, Peter Collette, Nury Cedeno and Israel Aguilera).

Hands On Hartford Endowment Fund

"Your Board's commitment to build the Hands On Hartford endowment for the financial stability and permanence of Hands On Hartford will serve to strengthen the organization's mission in providing meaningful support to the community and the individuals it serves. Thank you for helping us create positive change in our community now, and into the future."

Deborah Rothstein
Vice President for Development
Hartford Foundation for Public Giving

Legacy Society

2018 brought a renewed focus on the Hands On Hartford Legacy Society. As we plan for our 50th Anniversary to take place throughout 2019, the Legacy Society is an important initiative to ensure that we will have the support and funding available to continue to serve neighbors, engage volunteers and connect communities for decades to come. Legacy Society members are those who make a charitable bequest to Hands On Hartford, name the agency as a beneficiary of a life insurance policy or retirement plan, or make a gift to the Hands On Hartford Endowment Fund. The Endowment Fund was established at the end of the 2018 calendar year at Hartford Foundation for Public Giving to provide ongoing support to Hands On Hartford, primarily to support the operating expenses of our basic needs programs.

In Memoriam

This Annual Report is dedicated to Maurice (d. 2018) and Jackie (d. 2013) Wyman, friends of Center City Churches and Hands On Hartford for many years. In 2015, Maurice Wyman established the Alex and Karen Wyman Holiday Fund which provides toys to children during the holidays every year, and will continue to do so for years to come.

We are grateful to Christ Church Cathedral for donating the kitchen and dining area that houses our MANNA Community Meals program.
