

## **Sunday Community Meals at Center Church**

Center Church is strategically located at the heart of the City of Hartford and each Sunday, volunteers from churches, synagogues and community organizations come together to cook a hot meal for our neighbors in the city who are food insecure. Whether it is raining or snowing, cold or warm, we open our dining hall at the lower level of the Church House and serve as many as 90 dinners each Sunday. If you and your family; your faith community or downtown office staff would like to make a difference by preparing and serving dinner on a Sunday afternoon, please contact:
