HANDS ON HARTFORD was founded in 1969 as **Center City Churches**. Hands On Hartford, in partnership with others, strengthens community in Hartford by responding faithfully to people in need through programs that change lives and renew human possibility.

Dear Friends,

2017 was a fresh-filled year at Hands On Hartford! We started the year taking a fresh look at our impacts and sustainability through a strategic planning process supported by Hartford Foundation for Public Giving. As a result, our focus over the next several years will be to strengthen our most impactful programs with a renewed focus on health support, as we continue to provide food and housing services; deepen service learning in our volunteer projects and immersions; and improve sustainability by further development of our board, fund development, collaborative efforts, and mission-aligned ventures that generate income to support all of our programs.

We welcomed many fresh new faces to the extended Hands On Hartford team: staff members, donors, volunteers, Board members, and collaborative partners. Be sure to take a look at the end of this report for a list of the many groups and individuals who supported our work in 2017, to whom we are so very grateful.

We doubled our efforts at providing our neighbors who struggle economically with fresh foods. Engaging volunteers in the Kitchen-to-Pantry project, we chop and package fresh produce for the food pantry. With support from donors, we provided more fresh fruit for children through the Backpack Nutrition Program. We harvested fresh herbs and vegetables from our raised bed gardens for the benefit of tenants, pantry families and café patrons here at 55 Bartholomew Avenue.

Fresh kitchen news in 2017 included our Shared Use Kitchen, through which we supported over a dozen culinary businesses in their quest to bring fresh food to the community, including several urban farmers who developed and produced value-added products. We rolled out the new *Caterers Who Care* to provide all kinds of fresh and tasty catered meals to business, nonprofit, faith and family groups across the Hartford area.

Finally, in the housing area, we added some fresh new supportive housing to our mix through a partnership with Zizzo House Corporation; and we took a fresh approach to the Faces of Homelessness Speakers' Bureau, improving sustainability by bringing on a coordinator with lived experience of homelessness.

Thank you to all of our donors, collaborators, neighbors, interns, service members, friends, staff, board, guests, participants and tenants who helped us to keep it fresh in 2017.

With warmest regards,

Barbara A. Shaw, LCSW
Executive Director

NEW INITIATIVES

Caterers Who Care launched in 2017, providing delicious, healthy and reasonably priced food weekdays, evenings and weekends. A growing number of these Hands On Hartford catered events occurred off-site across the Greater Hartford area, and many were held at Hands On Hartford's historic Center for Community. Caterers Who Care supplied breakfast, lunch, dinner, appetizers, beverages and desserts to a variety of businesses, faith groups, non-profits and private event attendees, with proceeds supporting other Hands On Hartford programs.

The Café at Fifty-Five celebrated its first anniversary in the fall. Known for Great Food, Great Coffee and Great Neighbors (and oh-so-low prices), the Café operates Tuesdays through Fridays, 7:30am—2:30pm, with expanded hours for special events. Full and part-time jobs were created, along with volunteer opportunities for 34 folks throughout the year, who provided over 1,000 hours of service to the community.

Our Shared Use Kitchen rolled out in 2017, starting with our first kitchen user, Jen Acuna's baking business, Loafing Around LLC. The Shared Use Kitchen enables local culinary enterprises to launch and grow their businesses in our 1,700 square foot licensed, fully-equipped commercial kitchen. Fifteen businesses that range from bakers to caterers to food trucks to food manufacturers realized their vision, and provided a range of delicious meals and products to the community.

New Pantry Initiatives in 2017 focused on increasing health and nutrition for our pantry families. We implemented the **SWAP (Supporting Wellness at Pantries)** system in January. This stop-light system ranks food based on salt, sugar and saturated fat content, helping (and encouraging) clients to make healthier food choices in the pantry. **The Kitchen-to-Pantry Initiative** was also implemented in 2017. With the help of an AmeriCorps VISTA member, volunteers clean, chop and package donated produce, salvaging the best portions of the produce and providing healthy and easy-to-prepare produce for the food pantry.

MANNA FOOD PROGRAMS AND NEIGHBORHOOD SERVICES

What's new and fresh? The MANNA Community Pantry increased the number of families served in 2017 to an average of well over 500 per month. We became an Operation Fuel site and helped 91 households access utility assistance. We implemented the Kitchen-to-Pantry and SWAP initiatives, described earlier. Special Backpack Nutrition Program enhancements included four pieces of fresh fruit each month, and kid-friendly art and nutrition books. We served as a winter shelter triage center at Community Meals, assisting folks connect to shelter. The Senior Community Café program wrapped up in September, and participants were given the opportunity to sign up for pantry services.

HANDS ON HARTFORD HOUSING PROGRAMS

What's new and fresh? The CT Department of Housing announced \$4,400,000 in funding for the new Powerhouse Apartments to be developed here at 45 Bartholomew. We took over services for Zezzo House, 18 units of supportive housing in Hartford. Serving 118 individuals throughout Hartford last year, we continue to provide intensive one-on-one supportive housing assistance, enabling folks facing serious health issues to stay safely housed and to continue to receive life-sustaining care. This year also saw the successful completion of the Social Innovation Fund (SIF), a 5-year national demonstration of the effectiveness of supportive housing for high-cost health care users experiencing homelessness.

COMMUNITY ENGAGEMENT

What's new and fresh? The Community Engagement team engaged over 2,300 volunteers who completed nearly 33,000 hours of service to the Hartford community in 2017. In addition to five Dash for a Difference events, we hosted six immersion events with an emphasis on connection and service learning. We saw an increase in skill-based volunteering, with 15,795 hours provided. Survey results indicated that we have been successful in improving our education of volunteers around issues of poverty, food insecurity and homelessness, and the Hartford community in general. In November, we hosted a Service Learning Summit, sponsored by Prudential, addressing servicing learning and increasing volunteer impact. The event was attended by 22 different non-profit, faith, school and business groups.

HARTFORD THRIVE! PROJECT:

YEAR THREE

In 2017, the Hartford Thrive! Project, a collaborative initiative led by Hands On Hartford and staffed by AmeriCorps VISTA members concluded its second year and started its third year. Hartford Thrive! VISTAs served at Hands On Hartford, Journey Home, Village for Children and Families, Connecticut Association for Human Services and Hartford Community Loan Fund. Their work is focused on building capacity around anti-poverty programs and initiatives.

The four VISTA members who served at Hands On Hartford achieved a variety of results, including improving our volunteer systems (Community Engagement VISTA); implementing the Kitchen-to-Pantry initiative and engaging volunteers in that effort (Food Access VISTA); hosting Faces of Homelessness events and working toward sustainability of that program; and developing a client ambassador program at our Community Meals soup kitchen (Faces of Homelessness/Community Meals VISTA); taking a strong leadership role with all the Hartford Thrive! VISTAs and heading up planning for the Day of Sharing and Caring described below (VISTA Leader).

At Journey Home, VISTA efforts were focused on SOAR (SSI/SSDI Outreach, Access and Recovery). At Village for Families and Children, Connecticut Association for Human Services, and Hartford Community Loan Fund, VISTA efforts were focused on improved economic opportunity and financial stability.

The Hartford Thrive! Project is funded in part by a grant from the Corporation for National and Community Service.

FACES OF HOMELESSNESS SPEAKERS' BUREAU

Anne Goshdigian, a Faces of Homelessness speaker, came on board as a Co-Coordinator of the Speakers' Bureau, working with AmeriCorps VISTA A.J. Wyman. In addition to outreach efforts to schedule more speaking events, one of Anne's and AJ's main focuses in 2017 was recruitment of new speakers. The Hands On Hartford board sponsored a special speaking event in March, and we hosted a Faces of Homelessness Appreciation Event in April. The Speakers' Bureau was also instrumental in implementing a Day of Sharing and Caring in the fall, an event to honor folks in Hartford who experience homelessness.

We are grateful to Christ Church Cathedral for donating the kitchen and dining area that houses our MANNA Community Meals program.

In anticipation of the celebration of Hands On Hartford's 50th anniversary, deepest thanks to **Paul & Kathy Christie** who have established the Hands On Hartford 50th Anniversary Fund!

We make every effort to ensure the completeness and accuracy of these lists. We apologize for any mistakes, misspellings, or omissions and ask that you contact Kate Shafer, Communications Manager at 860-706-1505 to correct any inconsistencies.

In Memoriam

This Annual Report is dedicated to Carolyn S. Arvidson, 1930—2017. Carolyn volunteered in the MANNA Community Pantry for many years, and was a steadfast and devoted friend of this Agency. After her death in January, we renamed an annual award presented at our Volunteer Recognition Event: The R. Regner and Carolyn S. Arvidson Exemplary Volunteer Award. Carolyn's kindness and dedication are missed by us all.
