

Volunteer Opportunities!

Driving

We are looking for dedicated volunteers who can make a weekly or monthly commitment to drive to one of our generous partners to pick up food donations and deliver them to our church kitchen.

Most driving opportunities are weekday mornings and may require an SUV and the ability to lift and move heavy boxes.

Community Breakfast

Every other Monday morning, volunteers serve a free hot breakfast to our neighbors.

Food Pantry

Volunteers are needed the third Saturday of the month to assist clients visiting our food pantry. Volunteers are also needed the Friday before the pantry to help set up.

For more information, please contact:
