Dear Friends,

We are pleased to share this Biennial Report to the Community covering the years 2019 and 2020—two years that were each exceptional in their own way, and that were both marked by an unprecedented outpouring of love and support from our community.

Hands On Hartford is a diverse community of thousands of individuals and families, faith groups, schools, civic and nonprofit organizations, corporations, public sector agencies, and donors from throughout Greater Hartford and beyond who have joined together out of an abiding devotion to caring for each other with compassion, justice, and generosity. At our heart, we are about serving neighbors, engaging volunteers, and connecting communities, and finding opportunities to ever deepen this work and address emerging needs.

We are a community where each of us shares what we have so that we might all have what we need.

In 2019, which now seems ever so long ago, we were thrilled to celebrate our 50th Anniversary. It was a year filled with walks down Memory Lane, celebrating and re-establishing connections, and raising up the amazing partners who have, since our beginnings as Center City Churches, made our work possible.

Little could we have imagined what we would be called to do in 2020 as the COVID-19 pandemic struck, and when every bit of our experience, capabilities, resources, and resolve were put to the test to continue to care for our neighbors. The thousands of people we serve annually are those who suffered the pandemic’s devastating impacts most deeply and immediately: people of color, people who have little to no income, senior citizens, people with disabilities, and people with complex physical and mental health needs. Folks who were already experiencing food and housing insecurity, unemployment, and health crises…all of which were exacerbated by the pandemic. In true Hands On Hartford spirit, you and all of our community rose to the challenge, redoubling your commitment, efforts, and generosity. We provided for each other in ways that, as our mission states, “change lives and renew human possibility.”

In looking back over these last two years, we realize that this agency means many things to many people, and our reach is broad thanks to you. This biennial report is admittedly long—but it’s been a long two years! Please take your time with this and read about how you have made a difference. You will see the ways in which Hands On Hartford is a community where people are nourished & refreshed, live, work, learn, collaborate, celebrate & remember, envision & plan, are prudent stewards of resources, and give thanks.

We are excited to share the richness of the ways we all serve, engage and connect – and we hope you are too!

With appreciation for all you do to keep the Hartford community strong and healthy,

Barbara Shaw and Donna Manocchio

Barbara Shaw, LCSW
Executive Director

Rev. Donna K. Manocchio
Board Chairperson, 2018-2020
Our Mission:

Hands On Hartford, in partnership with others, strengthens community in Hartford by responding faithfully to people in need through programs that change lives and renew human possibility.

We are committed to Serving Neighbors (with food & nutrition, housing assistance, and health support), Engaging Volunteers (in service at Hands On Hartford and across the city), and Connecting Communities (bringing together folks from all walks of life).
Board of Directors
The Hands On Hartford Board of Directors is a group of individuals, many of whom volunteer for Hands On Hartford every single day, often times late in the evenings or early in the mornings, sacrificing their precious time and talent selflessly for this community. They govern the agency carefully and are enthusiastic ambassadors, raising money to fund our programs and help our neighbors. They provide unbelievable professionalism and a variety of high level skills to our team. Service above self – that is the Hands On Hartford Board!

Board of Directors Listing (2019 and/or 2020):

Donna K. Manocchio, Chairperson
Daniel A. Arsenault
Cynthia Bates
Autumn Bosworth
Christopher Brechlin
Tracie Brown
Leroy Butler
Lisa Cameron
Nate Fox
Bryan Hooper
Katonya Hughey
Thomas Kainamura
Chris Mendoza
Brian Neary
Nitza Rivera
Bobbi Schmidt
Michael Tetreault
Dianna Wallquist
Sharon M. Ware
Bill Wilcox

Friends of Hands On Hartford
The Friends of Hands On Hartford are ambassadors in the community, helping to highlight the many ways the agency collaborates to transform lives. The Friends of HOH work alongside the Board of Directors to bring new friends and funds for greater impact to support our mission.

Friends of Hands On Hartford Listing:

Stephen and Maria Ward (Chairs)  Beth Ferrari
Rev. Dick Allen  Ruth Fitzgerald
Rev. Karen Bailey-Francois  Helen Frye
Diane Bellfy  Rev. Bryan Hooper
Peter and Cathie Benner  Jane Lennox
Rev. Paul and Tina Bobbitt  Rev. Donna Manocchio
Tracie Brown  Aida Mansoor
Leroy Butler  Jim Palma
Paul Christie  Nitza Rivera
Alice Ferguson  Howard Shafer
Hands On Hartford is a community where people are......

NOURISHED and REFRESHED

There’s only one question asked at our Center for Community: “How can we help?”

Our 50th Anniversary Year was a milestone for the Community Meals Day Program. With the help of special funding from Hartford Foundation for Public Giving, we expanded hours and meals so we could operate as a true day program. With breakfast and lunch Mondays through Thursdays and dinner on Mondays, our doors stayed open for folks not only to enjoy a hot meal, but also to get a respite from the weather and, importantly, work one-on-one with our staff to access needed resources.

The MANNA Community Pantry and Neighborhood Services team also thrived during our 50th year – forming referral-based partnerships with Asylum Hill Congregational Church and Emanuel Lutheran Church to better serve neighbors across the city and partnering with Wholesome Wave to put more fresh produce on the tables of our pantry families. Generous friends from Temple Beth Hillel in South Windsor showed up in the kitchen every Monday to clean, cut, and package fresh fruit and veggies for our Kitchen-to-Pantry project. On our Wall of Testimonies, we collected over 50 heartfelt messages of thanks from staff, clients, and volunteers, nourishing us all with the warmth and power of this amazing community.

Hartford schoolchildren were nourished and refreshed by the nutritious and kid-friendly food – including fresh fruit – sent home through the Backpack Nutrition Program. More than 50 Backpack Angels came together in 2019 to support the program financially, with food drives, and with special gifts for the 240+ kids in the program.

And speaking of nourishment, the Café at Fifty-Five and Caterers Who Care had a great year in 2019, with increased sales and more customers supporting these mission-based businesses. Shared Kitchen members made delicious fare for their customers, and our Housing Program tenants enjoyed cooking classes in the Hands On Hartford kitchen.

“Things changed in 2020....”

Even before the COVID-19 pandemic, many of our neighbors were forced to choose between paying for food, rent, or medicine. People with physical and mental health needs already had little access to critical healthcare and social services. Unemployment and homelessness were already rising. The pandemic dramatically increased the number of people experiencing these life challenges. In response, and with much community support, we rapidly adapted our programs so we could continue to serve the folks who needed us most without missing a beat.
Hands On Hartford is a community where people are .......

**NOURISHED and REFRESHED**

When the pandemic forced the closing of the Christ Church Cathedral space that houses our Community Meals Day Program, we moved the whole program to our Center for Community in the Parkville neighborhood and began to serve meals to go, while giving some folks a place to come in and sit down. We were blessed by an amazing gift from Travelers who kept their food service team employed by providing lunch for all our guests Mondays through Thursdays. We continued to foster trusting relationships with our guests, helping them navigate the services and support they most need.

**MANNA Community Pantry** saw a sharp rise in demand for groceries, with many folks turning to us for the first time in their lives. We experienced challenging supply-chain problems mid-year, but we kept our doors open for everyone who came to us. We couldn’t have done so without the support of the amazing Hartford community who never stopped sending financial and food donations to keep our neighbors healthy and strong. At the height of the pandemic, we collaborated with United Way and Door Dash to have groceries delivered weekly to home-bound neighbors. We were continually amazed and humbled by the resiliency of the folks we served in the face of all of these challenges.

The **Backpack Nutrition Program** went on hiatus in the spring as schools stopped meeting in person, but by fall was going strong in 8 Hartford schools, delivering backpacks twice a week to accommodate new hybrid attendance schedules.

The Café at Fifty-Five experimented throughout the year with changed schedules, revised menus, curbside pickup, dinner kits to go, and special promotions, but by the end of the year, with drastically reduced foot traffic and little to no events occurring to support our catering operations, both the Café and Caterers Who Care went on hiatus. Likewise, due to both produce supply shortages and the need to keep our volunteers safe, the Kitchen-to-Pantry project was put on hold until later in 2021.

**From the Heart**

From our 2020 Wall of Testimonies:

“I am a disabled single mother of an 8-year old princess. I am more than grateful that Hands On [Hartford] is here to help us with food and many other things for our home. Hands On [Hartford] has definitely made it easier for me to take care of my child. God bless.”

- a pantry parent

From 2019 through 2020, Hands On Hartford’s MANNA Programs provided a total of 622,365 meals to folks in our community.
Hands On Hartford is a community where people ... LIVE

Home is where it all begins.

Using the “housing-first” model, we help folks with complex health issues get and stay safely and stably housed by providing a wide range of services individually tailored to their needs. In addition to developing friendships and community, our tenants and program participants benefit from professional case management that enables them to manage the health challenges that have held them back from realizing their life goals.

In 2019 and 2020 our partnership with Zezzo House, supportive housing for 18 families dealing with complex health issues, was very successful, going from no tenant case management to a robust array of services in less than two years. Most notable in 2020, in the midst of the COVID-19 pandemic, our staff donned masks and face shields and continued to provide vital one-on-one support to tenants to ensure they would stay safe, stay housed, stay healthy, and continue to move forward with their lives. We delivered groceries, drove folks to medical appointments, helped with access to benefits, and so much more—work that is both intensive and very rewarding.

Throughout 2019 and 2020, our Neighborhood Services staff also provided homelessness prevention support, like utility, rent, and security deposit assistance that lets families stay in their homes without having to choose between paying rent and putting food on the table. The increased hours of the Community Meals Day Program allowed the team to spend more time working one on one with guests to connect them to shelter and help them navigate the path toward moving to their own permanent place to call home. And the temporary move of the Community Meals Day Program to our Center for Community allowed us to make connections and provide resources with more folks who live in the Parkville neighborhood.

From the Heart

“I can only speak for myself, but Hands On Hartford has been and still is the most valuable thing in my life. I have grown, learned to trust a bit more and I am so grateful for all the help you guys gave me (besides having the absolute best case manager ever) ... from food to furniture and if needed rides to my appointments.”

-a Hands On Hartford Housing participant
WORK

Compassion • Responsiveness • Inclusion • Accountability • Good Humor

and of course, Teamwork!

We are a team of staff and volunteers, including an amazing hands-on Board of Directors, working together to advance our mission. Diverse and inclusive, we represent the full spectrum of cultural and educational backgrounds, professional specialties, and perspectives. We listen to each other, our clients, and our community. We always seek to understand before we act. We are careful stewards of our relationships with each other, our clients, neighbors, supporters, and community.

Our team of about 40 full- and part-time employees and 60 regular weekly volunteers provides a wide range of year-round services to thousands of individuals and families. In 2019 we had the additional help of a Young Adult Service Community Member sponsored by First Church of Christ in Simsbury, and in 2020 we were joined by a LISC Connecticut AmeriCorps Community Engagement and Direct Service Coordinator. Despite being constrained by the financial limits of a nonprofit, we strive to provide fair compensation, benefits, continuing education, and excellent working conditions. We value our human resources. We support our community in finding employment and moving toward self-sufficiency. We support local culinary entrepreneurs (about 4 dozen each year) though membership in our Shared Kitchen and through the Culinary Collaborative, a partnership of Hands On Hartford, Forge City Works, Hartford reSET, Breakfast, Lunch & Dinner, Parkville Market, Community Solutions (Swift Factory) and Knox. We help entrepreneurs launch, grow, and thrive.

Community Engagement By the Numbers

2019: 2,800 volunteers and 27,000 hours of service.

2020: 1,500 volunteers and 18,000 hours of service.

From the Heart

“Meeting with community members who utilize the food pantry was a truly humbling experience which filled my heart... I met some truly wonderful people... Growing up with a single mother, there were times my mother had difficult times making ends meet... and... would utilize local food pantry for assistance. I can tell you first hand that seeing my mother walk through the door with a box of food for our little family is a feeling that you will never forget. I am still not sure if it was the look of relief on my mother’s face or the food in the box that made me as happy as it did that day... The most amazing feeling for me in this journey is knowing that I might be able to have an effect on somebody today that could possibly make them feel the same way I did so many years ago.”

-A Hands On Hartford pantry volunteer
As part of our **year-long 50th Anniversary celebration** in 2019, we partnered with the Hartford Public Library’s History Center for a panel discussion and walk down Memory Lane. To prepare for the event, we dove into archives held by the library and even made posters of some of our annual reports over the past five decades that now grace the walls of the Café at Fifty-Five. The panel discussion was moderated by local historian, author, and journalist Susan Campbell and attended by many old and new friends. Panelists included one of our founders, the Rev. Paul Bobbitt, and three Executive Directors – Rev. David S. King, Paul Christie, and Barbara Shaw. We were thrilled that a fourth Executive Director, George Welles, made a surprise visit from North Carolina and that Rev. J. Alan McLean, a long-time and deeply treasured member of the HOH family, attended as well. They all generously shared their knowledge of our strong roots and history.

Service learning – and learning all about the wonderful city of Hartford – was at the core of the **2019 Corporate Dash for Difference**, co-sponsored with Prudential, a unique day-long immersive mixture of education, team building, community service, and friendly competition that celebrated the city’s rich history and diverse culture. Individualized group dashes, customized service projects and immersive experiences extended the opportunity for service learning to groups across the area – and even from as far away as North Dakota!

In 2019, we saw a dramatic increase in the number of **Faces of Homelessness** speaking engagements—38 events in all— including several larger events open to the public at the Hartford Public Library and the Wallingford Public Library. Our audiences – from middle and high schools, businesses, faith groups and community organizations – deepened their understanding of the causes and reality of homelessness by hearing directly from people with lived experience.

**2019-2020 Faces of Homelessness speaking events reached audiences totaling 1,750 members of our community!**
It will come as no surprise that group service learning opportunities were greatly curtailed in 2020, although the year started out strong with students from University of Rhode Island joining us for a week-long immersive service experience. ESPN partnered with our Community Engagement team for a special Martin Luther King Jr. Day learning experience with the kids at Breakthrough Magnet School North. And Travelers’ Diversity Network helped our Backpack Nutrition Program kids learn more about Black American historical figures with a special kit they assembled and distributed during Black History Month.

Later in the year, the Faces of Homelessness Speakers Bureau went virtual, as each of the speakers (along with the rest of us) got accustomed to the new “Zoom” world. Altogether, we hosted 20 events in 2020. The move to a more virtual world offered all of us new opportunities to participate in online training courses, and use photos and videos to help all our supporters learn about the impact of their gifts to this community.

We learned and grew in different ways in 2020. As COVID-19 struck, Senators Richard Blumenthal and Chris Murphy, along with Mayor Luke Bronin, visited to learn how our services were being impacted. We shared information and learnings across our networks to be sure we were providing the best services to our community and taking the best care of our staff and volunteers. We learned what it takes to keep going in the face of a crisis, and as an organization we are stronger for it.

From the Heart

“To Pam and Joe, thank you so much for taking the time to talk to us, for sharing your experiences, and engaging the students in a great discussion! We are so glad that you both have found happiness in your lives after experiencing what you’ve gone through. Thank you for reminding us of how homelessness can affect anyone and of the humanity we all need to make powerful changes in our community.”

-the Faces of Homelessness Event student liaison at Quinnipiac University
Hands On Hartford is a community where people ......

COLLABORATE

Collaboration is in our DNA.

We were founded in 1969 as a collaboration of downtown Hartford churches. Among the first words of our Mission Statement are “in partnership with others.” By doing what we do best and forming partnerships for everything else, we are able to connect people with the wrap-around services and support they need to find and keep a home, receive medical and mental health services, feed their families, and find the compassion and understanding that brings them into lasting community with others. As needs increase, collaboration is key to stretching every dollar while delivering the highest quality of services. We treasure our collaborations with faith groups, individuals, businesses, non-profits and others. Some of these collaborations include:

- Groups engaging in customized service projects
- Non-profits, schools, and parks at which we arrange volunteer service
- Direct service agencies or businesses we partner with to provide complementary services
- Co-sponsors of events and trainings
- Groups with client referral partnerships
- Area-wide networks focused on food and housing security
- The Culinary Collaborative to support small food businesses

In each of 2019 and 2020, we partnered with

- 350+ total community partners
- 50+ faith groups
- 190+ business groups

From the Heart

“Temple Beth Hillel of South Windsor’s involvement with Hands On Hartford’s Kitchen to Pantry initiative has been extremely rewarding for our ongoing team of volunteers. It is very meaningful to know that our trimming, sorting and packaging of fresh produce quickly and directly impact the lives of the community. At the heart of Jewish values is Tzedakah, a form of social justice or charity in which donors benefit from giving as much or more than the recipients do. We are grateful for the opportunity to partner with you in this way to support our neighbors.”

-From Temple Beth Hillel, Kitchen-to-Pantry volunteers
Hands On Hartford is a community where people ........

CELEBRATE and REMEMBER

50 years changing lives

2019 marked our 50th Anniversary of changing lives in Hartford!

We celebrated with a year-long series of community events, special programs, publications, and displays, all of which culminated in one unforgettable October night when over 400 friends came together to honor our legacy, celebrate all we accomplished in the last five decades, and strengthen our commitment to the Hartford community for the next fifty years and beyond.

The pandemic prevented us from gathering in person in 2020, but it didn’t stop us from coming together for our first-ever virtual celebration, Hands & Hearts Together. Friends and supporters enjoyed a gourmet boxed meal at home while simultaneously logging in for a video visit with members of our community who shared personal stories of how their lives have been changed by Hands On Hartford.

Folks who might otherwise be alone, lonely, or hungry on holidays, celebrated together in 2019 at our 7 special annual holiday events supported by a generous team of volunteers who decorated, prepared and served festive food, and provided entertainment and gifts. In 2020, with adjustments, we kept our commitment to celebrating with our neighbors with plentiful holiday meals and welcoming smiles.

For over 25 years, a highlight of the holiday season has been our Toy Shoppe Celebration, a seasonal “pop-up” holiday store at the Center for Community made possible by the generosity and volunteerism of Avon Old Farms School, First Church of Christ Simsbury, and several companies. In 2019, the Toy Shoppe offered parents the opportunity to choose holiday gifts for their children and have them gift-wrapped, while kids danced with a DJ, visited with Santa, did arts and crafts projects, and enjoyed pizza and treats. In 2020 over the course of one long day, we welcomed parents in, five at a time, to choose their gifts and were able to share in the joy of the season despite the precautions mandated by the pandemic.
Hands On Hartford is a community where people ......

CELEBRATE and REMEMBER

Foodshare’s annual Walk Against Hunger has always been an opportunity to connect with our extended network of friends while raising money to support the MANNA food programs. In April 2019 we gathered joyfully at Dunkin Donuts Park to walk together. We are so grateful for the terrific support raised for the folks we serve. In 2020, the Walk took a different form – we connected with families and groups throughout the summer who walked in their neighborhoods, towns, and parks, culminating with a final virtual walk week in September. Amazingly, in spite of this changed format, Hands On Hartford walkers were even more generous, raising vital funds to respond to the increased need in our community.

Every year we celebrate our treasured volunteers at our annual Volunteer Recognition Event in the spring, presenting awards for outstanding service to the community, including the R. Regner and Carolyn S. Arvidson Exemplary Volunteer Award. In 2019 that award went to Megan Chasse who started her connection with us as a student nurse and continues to this day to volunteer doing health checks for Community Meals guests. In 2020, in what may have been the last in-person event in Hartford, the Exemplary Volunteer Award was given to Helen Frye, a committed member of the Pantry and Neighborhood Services Team – and who continued to share her skills with us virtually throughout 2020, including as a member of the Friends of Hands On Hartford.

From the Heart

We remember:

- Frank Lord (1949 – 2020), long-time friend, trusted advisor, past Board member, and generous supporter.
- Bruce Bidwell (1929 – 2020), member and Chairman of the Property Committee of Center Church, a founding congregation of Hands On Hartford
Hands On Hartford is a community where people ........

ENVISION and PLAN

#MissionForward

Since we moved into our Center for Community in 2016, it has been our vision and our dream to convert a long-vacant power plant located onsite into much-needed affordable housing for folks with low and moderate incomes. Although we are not able to proceed with the “Powerhouse Apartments” as originally planned, we remain committed to increasing affordable housing in the area. We continue to work on plans to redevelop the iconic powerhouse building in a way that will meet community needs and add to the vibrancy of the Parkville neighborhood.

Keeping short- and long-term plans at the forefront of our work is critical to the impact we have on the community. Two funds have been established at Hartford Foundation for Public Giving to further our work into the future: the Hands On Hartford Endowment Fund, and the Innovation Fund for Hands On Hartford, the latter established by Peter and Mary Fran Libassi to enable us to pilot innovative projects and programs.

In response to the 2020 pandemic, we shifted into a flexible and responsive style of planning. We constantly reassessed the needs of our community, reevaluated our response, and made adjustments on a weekly basis. In December 2020 the Board and staff embarked upon #MissionFoward, an 18-month plan underpinned by the need for continued adaptability, resourcefulness, and responsiveness to changing conditions. Included in the plan is listening carefully to our community to assess needs, trends, and approaches that will have the greatest impact as our neighbors continue to be affected by the pandemic and as we seek to address the impacts of racial injustice. Among the priorities are maximizing efficiencies and increasing support of services; resuming Café and Catering revenue generating operations; and starting the work of exploring vital investments in people, data, technology and infrastructure necessary to ensure a successful future.

From the Heart

“Imagine you have a safe stable home to go to. That there are people that are helping you along the way .... That’s the vision that Hands On Hartford has for everyone in the community, and that’s been our vision for the last 50 years.... We won’t give up.”

-Dan Arsenault, 1989—2020, Hands On Hartford Board Member
Hands On Hartford is a community where people ........

ARE PRUDENT STEWARDs OF RESOURCES

Gifts and grants are entrusted to us to provide services to our neighbors who turn to us in times of need. We stretch every dollar we receive to the fullest extent possible while providing top quality services and excellent working conditions. Recently, we have expanded our efforts to generate funding through mission aligned ventures: The Café at Fifty-Five, Caterers Who Care, and the Hands On Hartford Shared Kitchen, all of which are described earlier in this report.

Our Board of Directors, staff and auditor work closely together to ensure that we maintain sound financial policies and systems. Our well-documented fiscal policies clarify roles and responsibilities and ensure that our financial data is an accurate and reliable basis for planning, decision making and reporting.

2019 and 2020 Financial Report

In 2019, Hands On Hartford was the steward of gifts, grants and fees in the amount of $3,493,720. In 2020, that amount increased to $4,138,793 (unaudited at the time of printing this report). These charts illustrate the sources and distribution of support. Copies of the agency’s audits by Whittlesey are available on our website or by calling our office.
Hands On Hartford is a community where people ......

GIVE THANKS

The past two years were filled with a profound mixture of heartbreak, joy, inspiration — but most of all, gratitude beyond measure. Gratitude for all those who trusted us with their need for help and for all those who helped us respond. Gratitude for the indefatigable energy and unrelenting positivity of every staff member and volunteer. Gratitude for the outpouring of donations and support that kept the meals coming, the pantry shelves stocked, the supportive housing program going, and our doors open to more people than ever before.

We are especially grateful to all of the individuals, businesses, faith groups and others who made special gifts in honor of our 50th Anniversary in 2019, putting us in a strong position to launch into our next 50 years of serving this community. And words cannot express how moved we were in 2020 by the incredible compassion and generosity we saw from the community as so many of our neighbors were devastated by the financial impacts of the COVID-19 pandemic.

From the Heart

“Why do we give to Hands On Hartford? So we can experience the joy of giving! There’s nothing better than knowing that our gift becomes a gift to support and encourage and help the lives of others.”

-Donna Manocchio and David Lewis

2019 Financial and In Kind Support

Grant funding and donors are listed in categories based on cash and stock gifts during 2019 (excluding fees for services), gifts designated to Hands On Hartford through United Way, and employee giving campaigns (unless reported to us as anonymous). Gifts made through donor advised funds held at commercial institutions may be reported as gifts made by the fund advisors.

We are grateful to Christ Church Cathedral for donating the office, kitchen and dining area that has housed our MANNA Community Meals Day Program for over 40 years, including in 2019 and the pre-COVID period of 2020.

We make every effort to ensure the completeness and accuracy of these lists. We apologize for any mistakes, misspellings, or omissions and ask that you contact Kate Shafer, Development Director at 860-706-1505 to correct any inaccuracies.
## 2020 Financial and In Kind Support

Grant funding and donors are listed in categories based on cash and stock gifts during 2020 (excluding fees for services), gifts designated to Hands On Hartford through United Way, and employee giving campaigns (unless reported to us as anonymous). Gifts made through donor advised funds held at commercial institutions may be reported as gifts made by the fund advisors.
