

## HANDS ON HARTFORD ANNUAL REPORT 2022

Caring in Action = Community Impact

Dear Friends,

We were recently asked what makes Hands On Hartford special. Our answer: the huge heart and compassion that our team brings to their work here.

We know that a lot of the people who turn to us for help are struggling. They may have missed their last meal. They may just have received an eviction notice. They may just be worn down by the struggle to make ends meet and the challenge to navigate a complicated system of benefits and resources. Because of all of this, and completely understandably, people who walk through our doors may not arrive as their best selves. Yet every day at the Hands On Hartford Center for Community, folks are treated with care and respect. With patience and dignity. You can hear the compassion in a team-member's voice as they take a call from someone in a panic about losing their apartment. You can hear the friendly welcome from our Gather55 greeter. You can hear the thoughtful conversations that go on around supporting folks with very serious needs.

Our team members see everyone – other staff, volunteers, guests, clients – as equally valued members of our community and we know it has an impact on those we serve. In the words of one of our pantry clients, “Hands On Hartford feels like home.”

2022 was an interesting year here at Hands On Hartford. We think of it as one of our “hybrid years.” Face masks were on and off as COVID waxed and waned. The economy started to recover and at the same time most of the folks we serve continued to suffer the economic effects of both COVID and inflation. Both our services and staff grew; and yet we faced tremendous difficulties in hiring.

It was also an exciting year, as we launched the new Gather55, Connecticut's first and only community café open to all regardless of ability to pay. You can read more about that later in this report. Along with that launch, we continued to assess and evaluate all of our programs, and grow and adjust to meet the needs of our community.

We have had tremendous support from this community as donors, volunteers and friends came together throughout the year to join us in our mission of strengthening community in Hartford. All of the impactful work that was done to be there for our neighbors in 2022 was made possible by you, and you are in our truly grateful minds and hearts every single day.

With warmest regards,

# Introducing....

**THE BACKGROUND:** For over 40 years, we operated a free meal program called Community Meals (in recent years) which was hosted in the Christ Church Cathedral Parish House on Church Street in Hartford. In 2020, we moved that program to our Center for Community when the church had to temporarily close its doors due to COVID. At the same time, we were operating a restaurant called the Café at Fifty-Five open to the public for breakfast and lunch, also at our Center for Community. The Café at Fifty-Five ceased operations at the end of 2020 due to COVID-related lack of business.

## Gather55

NOURISH · CONNECT · GIVE

**THE DREAM:** As we saw our Community Meals guests being served lunch each day (nourishing and plentiful food, to be sure, but no choices involved and not what one might see as restaurant quality food), while paying customers chose from a variety of tasty choices in the restaurant next door, we all said, “What if we could elevate the food choice and quality in Community Meals, or reduce the price point to increase access at The Café at Fifty-Five, so that everyone could enjoy the same food and service, regardless of ability to pay?” And the dream of Gather55 was born.

**THE LAUNCH:** We launched Gather55 in June of 2022 with generous advice and consultation of Tyler Anderson of Millwright’s in Simsbury. **Gather55 harnesses the power of delicious food to connect diverse communities through a restaurant with an inclusive vibe where all can gather regardless of ability to pay.** During the day, diners participate in our mission by paying full price or a minimum of \$2, or volunteering 1/2 hour of their time, or enjoying on-the-house meal vouchers. This has resulted in a steady and balanced business with folks quickly warming to the idea of volunteering and being part of the team. Dinner service began in October with a different yet still inclusive model. Gather55 evening service features a fixed price menu with entrees changing monthly courtesy of well-respected local chefs (starting with Tyler Anderson), a “fine dining” atmosphere, and 20% of seats reserved for non-paying guests.

**KEEP IN TOUCH:** We invite you to visit [www.gather55.com](http://www.gather55.com) and follow @Gather55 on Facebook and @gather55bartholomew on Instagram to keep up with the latest news. And join us for breakfast, lunch or dinner at Gather55!

## 2022 Hands On Hartford Program Reports

The 2022 program reports presented in the following pages touch on the highlights of each program. We are always eager to share more about our services and the impact they have on this community and invite our readers to connect with us to find out more.

## COMMUNITY PANTRY

One focus for our direct services has been increasing access in all kinds of ways.

In the MANNA Community Pantry, after many years of operating on a monthly appointment basis, we switched to a “no-appointment-needed” model in June of 2022, to create easier access for our shoppers. By August, the number of families coming to the pantry had jumped by 23%!

We partnered with DoorDash which provided a free grocery delivery service from our pantry to seniors who were finding it more difficult to get to us.

With the help of a Peacebuilder intern from Hartford International University and with the support of the Muslim Coalition of Connecticut, we also worked to spread the word about the availability of halal food at the pantry to increase access by Muslim families.

## ON AVERAGE, 597 HOUSEHOLDS WERE SERVED PER MONTH

## 23% OF GROCERIES DISTRIBUTED IN 2022 WERE FRESH PRODUCE, MILK, AND EGGS

"I KNOW MY FAMILY WILL HAVE ENOUGH FOOD EACH MONTH"

"FRESH VEGETABLES AND FRUIT"

"BEING ABLE TO GET MILK AND EGGS"

## TOP REASONS PEOPLE USE THE COMMUNITY PANTRY

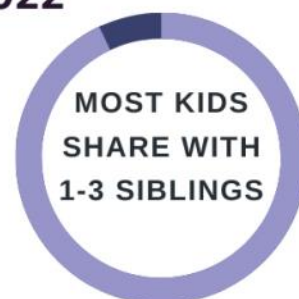

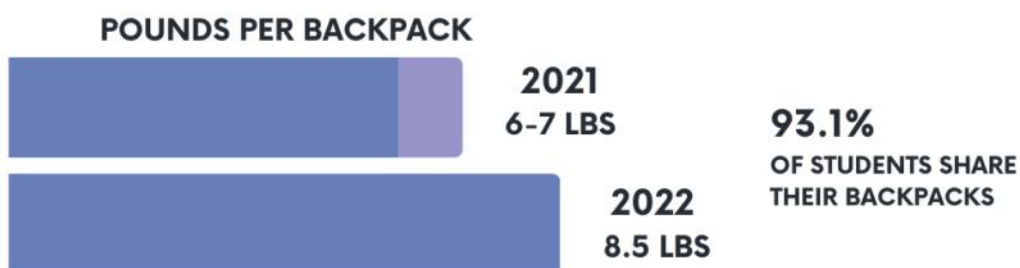

## BACKPACK NUTRITION PROGRAM

We addressed access challenges in the Backpack Nutrition Program at the beginning of 2022. By filling an open backpack liaison position here at Hands On Hartford, and working over the summer to strengthen our connections and relationships with personnel in the Hartford schools we improved enrollment in the program. From 163 kids enrolled in the program in June, we jumped to 218 kids by the end of December.

### 4,708 BACKPACKS DISTRIBUTED IN 2022

## COMMUNITY MEALS & GATHER55

Earlier this report we described the reimagining of our Community Meals Program as Gather55, a restaurant open to all regardless of ability to pay. Response from our guests has been great – folks love the ability to choose their meals, feel more connected and “part of the team” when they opt to volunteer. Feedback from our full-paying guests is equally positive – about both the food and the experience of participating in our mission and connecting with a broader community.

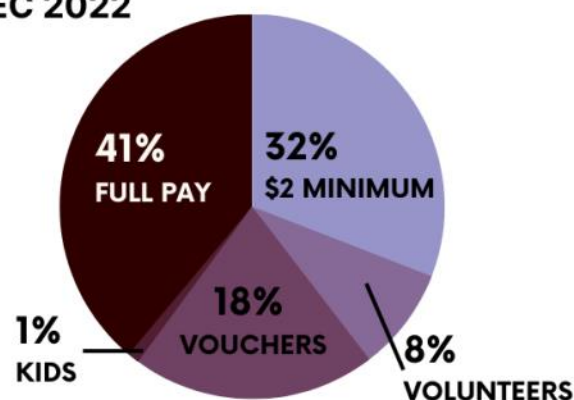

### IN 2022...

**47,633 total meals were served:**

**18,676** in Community Meals from Jan-May

**28,957** in Gather55 from Jun-Dec

### GATHER55 PARTICIPATION MODEL OCT-DEC 2022

## DAY CENTER

We continue to operate the Day Center Monday-Thursday integrated within Gather55. In addition to helping folks obtain vital services both here and at other agencies, we formed a new partnership with Hartford HealthCare, which now runs an on-site clinic adjacent to the Day Center twice each month. InterCommunity Health Care distributes Narcan to combat the ever-present dangers of opioid addiction in our community and they run a weekly recovery group on-site.

Music Moves Hartford engages folks in sing-alongs once a week, USJ student nurses do health checks once per week, and we actively seek other community partners to provide resource information and enrichment activities to foster community engagement by Day Center guests. Examples include bingo games, art activities, and afternoon movies.

## WHO RECEIVED NAVIGATION SERVICES IN 2022?

**88 INDIVIDUALS**

RECEIVED \$3,472 IN FINANCIAL-ASSISTED NAVIGATION

## 3,354 RISK REDUCTION ITEMS DISTRIBUTED

## NEIGHBORHOOD SERVICES

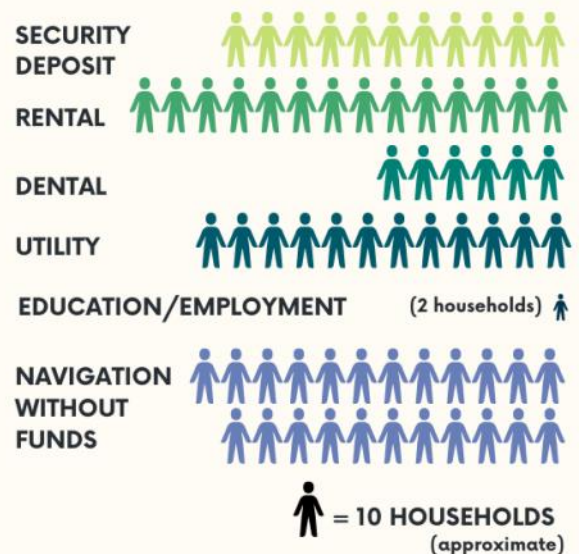

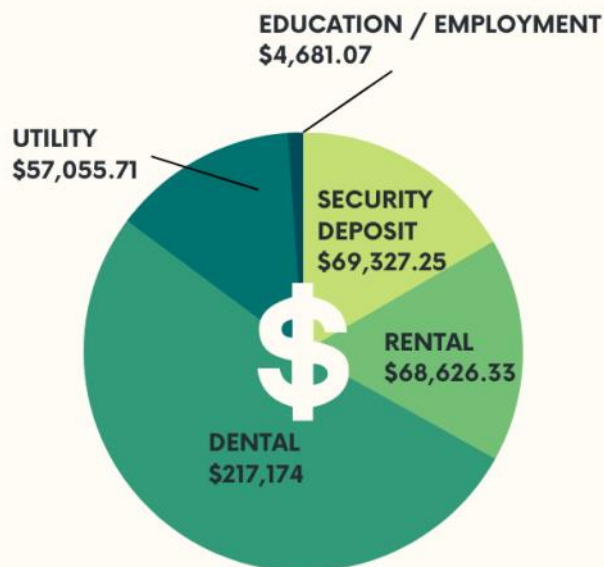

At the close of 2021, the end of the COVID era eviction moratorium combined with the expiration of other COVID-related financial benefits led to a huge surge in calls for support from our Neighborhood Services specialist.

To keep up with demand and ensure that we could connect with as many folks as possible, we added some staff positions to help field and triage calls and make appointments. Our partnerships with a variety of funders enabled us to provide financial assistance to hundreds of Hartford families.

In addition, we evaluated people's budgets, negotiated with their landlord and utility providers and helped them access other resources, all with the ultimate goal of preventing homelessness.

### IN 2022...

- 592 households were assisted with financial and/or navigation services.  
\$416,864.36 total was distributed.

## COMMUNITY ENGAGEMENT

### VOLUNTEERS

Volunteers continue to make all of our work possible and are central to our mission of working in partnership with others to strengthen community in Hartford. With the opening of Gather55, we were able to offer volunteer opportunities helping with food prep, serving meals, greeting guests, bussing tables and more.

We celebrated Volunteer Appreciation Week in April of 2022, honoring Bobbi Schmidt (former board member, current Friends of Hands On Hartford member, and pantry volunteer) with the R. Regner and Carolyn S. Arvidson Exemplary Volunteer Award.

We also presented awards to University of Saint Joseph, the Muslim Coalition of Connecticut, Nassau Financial Group, the Friends of Hands On Hartford, the Faces of Homelessness "Family", and superheroes Eamonn Kilmartin, Marcia Lada, and Abdelwaheb Moujahed.

**20,604**  
volunteer hours  
in 2022

**2022 TOTAL VOLUNTEERS: 2,017**

### FACES OF HOMELESSNESS

Faces of Homelessness events really picked up in 2022. These impactful speaking events, featuring seven courageous core speakers who shared their lived experiences with being homelessness, took place at businesses, schools, faith groups and in community settings.

Because we offered both in-person and virtual speaking events, we were able to broaden both the number of events and our audience reach.

#### FACES OF HOMELESSNESS EVENTS

**50 EVENTS**

#### AUDIENCE REACH

**1,581 AUDIENCE MEMBERS**

 = 10 audience members

## SUPPORTIVE HOUSING

Over the past year or so, we have built on our long history of providing excellent supportive housing services to add 38 additional individuals, increasing the number of folks being served at any one time by 35%. During the years COVID was most intense, many of the folks in our program were inclined to self-isolate, often because underlying complex health conditions heightened their fear of contracting COVID.

In 2022, our team paid particular attention to working with folks to re-engage with their community through large and small group activities and trips. Student interns held weekly group sessions addressing issues like stress relief and mindfulness. Our supportive housing services were available around the clock to 102 clients by the end of 2022.

## WHAT IS SUPPORTIVE HOUSING?

**What is Supportive Housing?** Supportive Housing is a proven, cost-effective solution for families and individuals experiencing homelessness who are facing complex co-occurring mental health, substance use, and medical issues. Supportive housing pairs Affordable Housing that is safe, secure, and permanent, and Supportive Services that are flexible, voluntary services to increase housing stability and improve wellbeing. [Partnership for Strong Communities, 2022]

## CLIENT STORIES

Our very own Rosemary Rainey (shown here with Case Manager Trevonn Coleman) received the Carol Walter Housing Tenant Award from the Partnership for Strong Communities on June 8th. This award recognizes two housing tenants who show commitment to advocacy for permanent housing solutions, exhibit leadership skills, and work to make their community a better place. The award is named in honor of Carol Walter, a much-loved Executive Director of the Connecticut Coalition to End Homelessness and respected advocate in the area of housing and homelessness.

## HOMELESS OUTREACH

The Homeless Outreach team, formally established in 2020, made great strides in connecting with people who are living outdoors, connecting them to vital services (including shelter) and helping them along the path to permanent housing.

The team operates during non-traditional hours – evenings and weekends – when folks who are homeless are often easier to locate and connect with. In 2022, the work expanded to encompass a project called HOPE (Homeless Outreach Program for the Elderly), in response to findings about the number of seniors who are experiencing homelessness in the area. We now have a case worker who is specifically focused on connecting with seniors who are experiencing homelessness in the area. In fact, our Homeless Outreach team found that 12% of the people they encountered living outside were seniors.

## SHARED KITCHEN

Our shared kitchen helps members create and grow culinary businesses. Because members use the kitchen on a regular basis they can scale up their businesses gradually. Shared Kitchen membership remained steady in 2022, with one “anchor” member using the kitchen consistently during times when Gather55 is not operating (especially Tuesday evenings and Sundays).

In addition to making kitchen time available for small culinary businesses, the Hartford Culinary Collaborative, of which Hands On Hartford is a member, served to assist our kitchen members with business support in planning, growing and marketing their businesses.

## MEMBER SUCCESSES

## DIVERSITY, EQUITY, AND INCLUSION

After a full outside assessment of Diversity, Equity & Inclusion at Hands On Hartford, and a review of the resulting recommendations, we jumped whole-heartedly into making improvements in many areas. The first step was the adoption of a DEI plan in 2021, and creation of a formal DEI policy in 2022. Stemming from that, we took a broad range of steps in 2022, including formal trainings; agency policy reviews/revisions; offering Spanish translations of materials; and creation of story boards focused on Black history, Pride, women's history, Hispanic heritage, indigenous people, persons with disabilities and more. And embracing the joy and uplift that true diversity and inclusion bring to the team, we hosted celebrations for staff, board and volunteers focused on our rich multicultural community.
