Hands On HARTFORD
Caring in Action

2025
ANNUAL REPORT

A LETTER FROM OUR EXECUTIVE DIRECTOR

Dear Friends and Supporters,

As we reflect on 2025, one truth continues to shine through: even during difficult times, there is always a glimmer of hope. At Hands On Hartford (HOH), that hope is found in the compassion, generosity, and commitment of this community. Because of your support, we have been able to respond to the growing needs of Hartford's most vulnerable residents with care, dignity, and humanity.

The challenges faced in 2025 were significant, particularly following the SNAP benefit cuts that deeply impacted individuals and families already struggling with food insecurity and economic hardship. The need throughout our community grew rapidly, and for many, uncertainty became part of daily life. Yet even during these difficult moments, glimmers of hope continued to emerge.

When the need increased, this community answered the call.

Because of your generosity, advocacy, volunteerism, and partnership, HOH was able to continue providing food, resources, and compassionate support to those who needed it most. Every meal served, volunteer hour given, and donation received became a reminder to our clients that they were not alone.

We are deeply grateful for the steadfast support shown throughout the year. The resilience of our mission is only possible because of people like you who believe in standing beside our neighbors in times of need.

As we look ahead, we know challenges will continue, but so will the hope that shines through this community every day. Together, we can ensure HOH remains a source of stability, compassion, and hope for Hartford.

Thank you for believing in our work and for continuing to be a glimmer of hope for so many in our community.

With sincere gratitude,

Meeting the Challenge, Together

In late 2025, SNAP benefit reductions increased food insecurity across our community, creating an urgent need for support.

Our community answered the call. Donors, volunteers, partners, and advocates stepped forward with increased financial contributions, community-led food drives, and expanded volunteer efforts to help bridge the gap. Their generosity ensured we could meet growing demand and continue serving our neighbors during a critical time.

Because of this collective response, our mission remained strong. Together, we turned a significant challenge into a powerful demonstration of compassion, resilience, and community support. We are deeply grateful to everyone who helped make that possible.

OUR MISSION:

Hands On Hartford, in partnership with others, strengthens community in Hartford by responding faithfully to people in need through programs that change lives and renew human possibility.

Manna Community Pantry

Our Community Pantry is more than a place to pick up groceries—it is a space where care, dignity, and nourishment come together. Each visit provides a thoughtful selection of nutritious foods, including pantry staples, fresh bread, milk, eggs, produce, and frozen meats, with halal options to meet diverse needs.

Support extends beyond food. During monthly visits, families can also select essential toiletry items and children's books—small but meaningful resources that bring comfort, learning, and joy into their homes.

The Pantry also serves as a hub for wellness. Twice weekly, student nurses from the University of St. Joseph provide free blood sugar testing and blood pressure screenings, helping neighbors stay informed and empowered about their health in a welcoming, familiar setting.

2025 IMPACT

Another record breaking year!

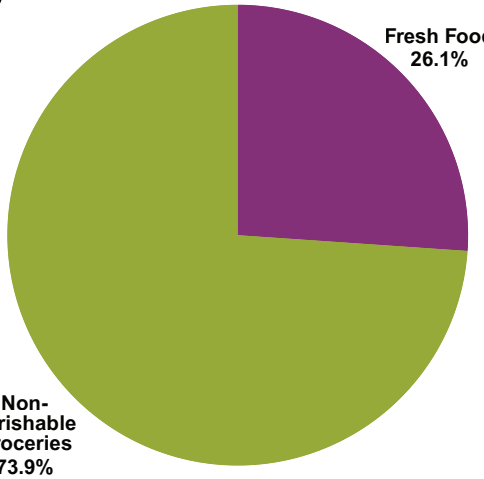

1,015

Average Number of Households Served per Month

565,255 lbs.

of Food Distributed

This continued growth tells a powerful story. It reflects not only the rising need within our community, but also the deep trust families place in our Community Pantry, a place where they are met with respect, compassion, and a commitment to their well-being.

Backpack Nutrition Program

Our Backpack Nutrition Program continues to be a steady source of support for Hartford students experiencing food insecurity. Each week, enrolled students receive backpacks filled with easy-to-prepare meals, wholesome snacks, shelf-stable milk, and fruit juice, helping ensure they have reliable access to nourishing food beyond school hours.

PROVIDING NOURISHMENT

During the 2024-2025 school year, we continued providing fresh fruit, with each student receiving an average of six pieces per week. This commitment improves nutrition and promotes healthier weekly habits.

FOSTERING WELLNESS

The Backpack Program supports the whole child. Each backpack includes simple resources such as dental tips, nutrition guidance, and family-friendly recipes to build awareness and encourage healthy habits.

ENHANCEMENTS

During the 2024-2025 school year, students received added items alongside weekend food, bringing comfort and support. These included winter accessories like hats and mittens, as well as school supplies recognizing Hispanic Heritage Month and Juneteenth to promote learning and cultural pride.

At Gather55's Day Café Restaurant, we remained committed in 2025 to serving everyone with dignity, regardless of financial circumstance, while strengthening our foundation for the future. Our tiered pricing model ($3, $5, or full price) supported both accessibility and sustainability.

Guests could also volunteer in exchange for a meal, fostering connection and a shared sense of purpose, while on-the-house vouchers ensured no one was turned away.

More than a place to eat, Gather55 continued to be a welcoming space where every guest left feeling nourished, valued, and connected.

Gather55 Evening Restaurant

In 2025, Gather55's Dinner Service continued to grow its reach and creativity, building on its expanded offerings of catering, private functions, and dynamic pop-up events. Throughout the year, these gatherings brought people together over thoughtfully prepared meals and shared experiences, further strengthening our presence in the community.

At the heart of it all, our commitment to accessibility remained unchanged. We continued to reserve tables for guests unable to pay, ensuring that everyone, regardless of circumstance, could enjoy a welcoming and elevated dining experience.

2025 Gather55 Guest Chefs

Each month, we invite a guest chef from a local restaurant to add special menu items reflecting their unique culinary styles.

Hours of Shared Kitchen Use in 2025

The Shared Kitchen at Hands On Hartford is a community-based culinary workspace designed to expand opportunity and access. It provides a licensed, commercial kitchen where local food entrepreneurs—especially those who may not otherwise have access to professional space—can prepare, cook, and grow their businesses. This includes small caterers, food startups, and individuals developing products for sale.

Beyond entrepreneurship, the kitchen also supports Hands On Hartford's broader mission. It helps power programs like meal preparation for the community and creates pathways for job training and skill-building in the food industry.
At its core, the Shared Kitchen is about more than cooking—it's about economic opportunity, community connection, and using food as a tool for stability and growth.

Day Program

Navigation & Resource Support

In 2025, our Day Program Specialist delivered 2,126 navigation services to 1,113 guests, nearly half experiencing homelessness. Support included help with housing, employment, IDs, SNAP applications, and connections to essential resources like warming centers and showers—providing clear pathways toward stability.

Health Services

We expanded on-site care, with guests accessing health services 1,309 times. Offerings included bi-monthly clinics with Hartford HealthCare, weekly Charter Oak Health Care Mobile Clinics, regular screenings by University of St. Joseph nursing students, the weekly Music Moves Program and weekly SMART Recovery meetings through InterCommunity Health Center—meeting critical health needs in a trusted, accessible setting.

Neighborhood Services

As financial insecurity persisted, our Neighborhood Services Program helped Hartford residents stay housed and avoid crisis through rental and utility assistance, security deposits, and resource connections.

In 2025, we provided $230,370 in aid, offering critical stability to individuals and families. Each household served reflects our commitment to easing financial strain and keeping neighbors safely housed.

Homeless Outreach

In 2025, as communities continued to confront the realities of people experiencing unsheltered homelessness, we remain committed to a response rooted in compassion, dignity, and proven outcomes. Hands On Hartford continued to work in close partnership with service providers, municipalities, and housing authorities to reshape how our region supports individuals living unsheltered.

Our approach centers on direct, consistent engagement with people in encampments, building trust and creating clear, accessible pathways to permanent housing. The impact is clear. Individuals are moving from unsheltered situations into stable homes faster and with greater success, demonstrating that when we lead with respect and coordination, lasting change is possible.

Supportive Housing

In 2025, our Supportive Housing Program served 110 individuals at a time with intensive case management—an essential service that helps people experiencing or at risk of homelessness navigate complex challenges such as mental health conditions, substance use disorders, and chronic illnesses including HIV/AIDS, diabetes and hypertension.

Through consistent, personalized support, case managers helped clients access care, maintain housing, and build stability. Many participants also accessed additional supports through Hands On Hartford, including the Day Program and Community Pantry. We also supported 32 households at George Beach Apartments through accessible, light-touch drop-in services, ensuring residents can get help when they need it most.

Community Engagement

The Community Engagement Program connects people, resources, and opportunities to serve. It brings together volunteers and partners to support Hands On Hartford through daily meals, holiday meals, the pantry, outreach, and special projects—offering meaningful, hands-on ways to help those facing food and housing insecurity.

The program also engages skilled partners, such as Hartford HealthCare, who contribute their time and expertise to meet critical community needs. It raises awareness, strengthens partnerships, and fosters a shared sense of responsibility across the community—turning compassion into action by connecting those who want to help with neighbors who need support.

Community Partner Spotlight

The Charitable Society in Hartford, founded in 1935 during the Great Depression, has long supported residents in need by distributing funds for basic necessities and emergency aid.

Today, it continues that mission by partnering with Hands On Hartford by acting as a funding source, that allows for funding to support Hands On Hartford's Neighborhood Services program to deliver assistance such as rental and security deposit support, job help, and service referrals.

In 2025, this partnership helped 10 Hartford households secure or maintain stable housing, combining behind-the-scenes funding with on-the-ground support.

"Battling breast cancer while going through daily chemotherapy has been one of the hardest experiences of my life. I've tried to keep working as much as I can, but reducing my hours for my health made it difficult to keep up with rent and medical expenses. The support I received from Neighborhood Services gave me peace of mind during a very difficult time. Knowing I could remain in my home allowed me to focus on my treatment, recovery, and staying hopeful for the future."
- R.M., a recent recipient of housing support.

Growing Together: Celebrating Our Community Partners

Our community garden continues to flourish thanks to the dedication and generosity of our community partners. Through their support, volunteerism, expertise, and shared commitment to addressing food insecurity, the garden has become a thriving source of fresh produce, education, and connection.

Each season, these valued partners help cultivate more than flowers, vegetables, and herbs—they help grow opportunity, wellness, and community. We are deeply grateful for their ongoing partnership and the vital role they play in helping our garden—and our mission—thrive year after year.

We would also like to extend a special thank you to VOYA for their continued commitment to the garden for several years.
